

## Weekly Scrum Meeting Minutes

### Meeting No: 22 Week 11 Meeting 1

<b>Date:</b>	16/05/2017
<b>Venue:</b>	010.10.00
<b>Attendees:</b>	Jasmine Ellis, Rob Laine-Wyllie, Thomas Higgins, Declan McDonald
<b>Apologies:</b>	-
<b>Copy To:</b>	-

No.	Date	Discussion	Action/Person
1	16/05	Discussed problem with "delete business" SQL query not working.	Resolved problem after going over query line by line. / Rob and Thomas
2	16/05	Release notes requirement, what should go in them.	Declan googled release notes, created text file rough draft. / Declan
3	16/05	Discussed need for proper bug reporting via leantesting.com	Tasked created on Trello, assigned to Declan. / Declan
4	16/05	What did we accomplish since last meeting?	Declan - Integrated github repository into eclipse. Thomas - Fixed booking filters bug, linked bookings together so that they can be cancelling blocks, worked on GUI color selector function. Rob - Fixed bug in delete business function. Jasmine - User stories for admin.
5	16/05	What are our goals for this week?	Thomas - make series of methods and attributes to tie employees, services, and bookings to a specific business. Add filter so that business can only edit their own business. Jasmine - remaining test cases, admin layout. Bug with input validation on registration page. Delete business confirmation pop up. My Bookings layout. Declan - button for current page, button for business settings, implement GUI option. Wireframes: create business, admin menu. Rob - Add business pop up.
6	16/05	What we will do for the video.	Jasmine will put video together. Thomas will narrate. We will work on script together. / Anyone

**Weekly Scrum Meeting Minutes**  
**Meeting No: 23 Week 11 Meeting 2**

<b>Date:</b>	19/05/2017
<b>Venue:</b>	012.11.019
<b>Attendees:</b>	Jasmine Ellis, Rob Laine-Wyllie, Thomas Higgins, Declan McDonald, Homy
<b>Apologies:</b>	-
<b>Copy To:</b>	-

No.	Date	Discussion	Action/Person
1	19/05	Declan pointed out a bug in which colour scheme did not changing upon selecting it in Business Settings page.	Bug was occurring being color wasn't being pre-seeded. Thomas resolved bug. / Thomas
2	19/05	Demoed what we had accomplished this week to Homy (primarily admin functions). Homy also explained the format of the pitch video.	Jasmine will make pitch video. A card for the task was added to Trello.
3	19/05	What we accomplished since last meeting.	Declan - add filter options to bookings view, wireframes for business settings, add business, admin dashboard. Jasmine - pop ups for add business and delete business confirmation. Fix bug with adding business. Layout for edit specialisation, admin dashboard, and my bookings. Rob - worked on admin functions. Thomas - Tied bookings, services, and employees to their respective businesses and updated associated functions.
4	19/05	What we will work on until next meeting.	Thomas - Fix booking filter exception, fix colour result set error, business hours default retrieval. Declan - Finish implementation of GUI, README file, check and compile user stories. Rob - unit tests for making booking. Jasmine - Fix bug in registration view, ensure test cases are up to date and run tests, video pitch, update MVC diagram.

**Weekly Scrum Meeting Minutes**  
**Meeting No: 24 Week 12 Meeting 1**

<b>Date:</b>	23/05/2017
<b>Venue:</b>	Cafe in campus
<b>Attendees:</b>	Jasmine Ellis, Rob Laine-Wyllie, Declan McDonald
<b>Apologies:</b>	-
<b>Copy To:</b>	-

No.	Date	Discussion	Action/Person
1	23/05	What was accomplished since last meeting	Declan - Checked user stories Rob - Some unit tests Jasmines - Checked some test cases for completion Tom - Set default for most booking filters, errors in the seed file fixed and employee availability options
2	23/05	Discusses what is contained in the most mortem report and how much effort might need to be put into it	Determined that this might need to take some priority as it is longer than we anticipated
3	23/05	Discussed what still remains to do before demonstration in terms of the application	Declan will work on finalising the implementation of the color schemes. Tom will work setting default for date filter. Rob will fix references to the business name to be an SQL query
4	23/05	What is to be done before next meeting	Next meeting will be the demonstration of the application so all of the items from the above section will completed. Jasmine will work on getting the user manual and the video pitch started as well as adding a scroll pane to the registration form.

## Weekly Scrum Meeting Minutes

### Meeting No: 25 Week 12 Meeting 2

<b>Date:</b>	26/05/2017
<b>Venue:</b>	012.011.019
<b>Attendees:</b>	Jasmine Ellis, Rob Laine-Wyllie, Declan McDonald, Thomas Higgins
<b>Apologies:</b>	-
<b>Copy To:</b>	-

No.	Date	Discussion	Action/Person
1	26/05	Discussed some problems with having a seed file and the new maven build causing complications.	Tom has made it so there are two executables one with the seed file and one without
2	26/05	Discussed major git issues with changes being overwritten and bugs being re-introduced by recent commits.	Tried to re-apply changes but Eclipse is not recognising changes. Unfortunately we did not have enough time to fix everything.
3	26/05	What each person did since last meeting.	Thomas - Vast array of bug fixes, Maven configuration, project build, commenting.javadocs. Declan - created new color schemes and implemented on all pages. Rob - Fixed unit tests and managed git repo. Jasmine - Wrote several test cases on lean testing, ran testing suite, report several bugs. Fixed problem with registration view, fix filtering bugs with employee, fixed bug affecting add employee, made customer Cancel Booking a pop up, fix My Bookings page so that it displays customer bookings.
4	26/05	What we will work on until submission on Monday.	Thomas - Class diagram update, post-mortem. Declan - Checking and compiling wireframes and user stories and finalising readme. Rob - Continue with post-mortem and add details to readme. Jasmine - Video pitch, help with post mortem, update MVC diagram.
